

SILA

SUVO SORTNO BELO VINO

Sila Breg je visoko kvalitetno vino, sveže, puno elegancije i rafiniranog ukusa.

Miris koji dominira ovim vinom je sveži grejpfrut sa notom cveta bagrema. Kada je u pitanju ukus, preovladavaju agrumi, pogotovo se ističe zeleni limun. Dugo ostaje u ustima zahvaljujući umerenom mineralnom karakteru.

Preporučuje se uz sveže morske plodove i morsku ribu. S druge strane, vrlo se lepo se slaže sa domaćim suvim, dimljenim narescima, jagnječim kotletima na ražnju, pohovanom piletinom, bečkom šniclom i Cezar salatom...

SILA DRY VARIETAL WHITE WINE

This Serbian grape variety was born from the crossing of a descendant from the self-fertilization of Kevedinka (indigenous grape variety) and Chardonnay and was recognized in 1988.

Sila Breg is a high quality wine, exuberant, full of elegance and refined taste.

The aroma that dominates this wine is fresh grape-fruit with a hint of acacia flower. The palate is dominated by citrus fruits, especially lime. Beautiful length, thanks to its moderate mineral character.

It is recommended with fresh seafood and sea fish. On the other hand, it goes very well with home-made dry, smoked meats, lamb chops on a spit, fried chicken, Wiener schnitzel and Caesar salad...

Note:

Sila from the Breg wine house served as an aperitif will please even the most demanding wine lovers.
