

CHARDONNAY

SUVO SORTNO BELO VINO

Chardonnay je jedna od najrasprostranjenijih belih sorti u svetu. Zasto? Zato što pruža zadovoljstvo kako afirmisanim ljubiteljima vina, tako i osobama koje po prvi put drže čašu vina u ruci.

U Šardoneu Breg prevladava blagi miris ljubičice i bele ruže, a odlikuje ga diskretan ukus sveže vinogradarske breskve. Deo je fermentisan u *Barriques* od francuskog hrasta i odležan na prirodnom talogu 8 meseci, dajući mu puterast karakter.

Slaže se uz mnogobrojna jela, počevši od krilaca raže preliveanih sa sosom od kapra u puteru, dagnji u kremu, pohovanog šarana ili šarana na luku, pržene kečige, taljatela karbonara, kuvane govedine sa sosom od rena, osobukom, pilavom sa pilećom džigericom, prženom svinjskom krmenadlom od vrata, Karađorđevom.... Krempita za kraj!

Ovo vino pijemo u razdraganom ambijentu sa prijateljima ali i prilikom svećanih porodičnih okupljanja.

Napomena:

U trenucima samoće, Šardone Breg može postati Vaš poverljivi i okrepljujući sagovornik.

CHARDONNAY

DRY VARIETAL WHITE WINE

Chardonnay is one of the most widespread white varieties in the world. Why? Because it gives satisfaction both to established wine lovers and to people who hold a glass of wine in their hand for the first time.

Chardonnay Breg is dominated by a slight scent of violets and white roses, and is characterized by a discreet taste of fresh vineyard peach, Part fermented in French oak barrels and aged on its natural lees for 8 months, giving it a buttery character.

Goes well with many dishes, starting with stingray wings topped with caper sauce in butter, mussels in cream, fried carp or carp on onions, fried catfish, tagliatelle carbonara, boiled beef with horseradish sauce, ossobuk, pilaf with chicken liver, fried pork neck, Karađorđev... Krempita for the end!

We drink this wine in a lively atmosphere with friends, but also during festive family gatherings.

Note:

In moments of solitude, Chardonnay Bragg can become your confidant and invigorating interlocutor.
